

Preventing Extremism and Radicalisation at Torpoint Community College

2015 - 2016

Torpoint Community College is committed to providing a secure environment for students, where young people feel safe and are kept safe. All adults at TCC recognise that safeguarding is everyone's responsibility irrespective of the role they undertake or whether their role has direct contact or responsibility for children or not. Further information can be found in the Preventing Extremism and Radicalisation Protocol.

The College actively promotes those values identified as Fundamental British Values through the tutor programme, within the taught and extra-curricular programme and we place an emphasis on the social, moral, personal and cultural development of our students.

The following activities and events have already taken place at TCC in order to raise staffs' and students' awareness and understanding:

- Staff survey of where fundamental British Values, Preventing extremism and radicalisation are taught about in the curriculum leading to the College Protocol (December 14)
- Protocol of Values at the College is written and placed on the website (including Fundamental British Values and referencing history of values at the College – link with school in Melbourne, link with Co-operative Society)* (April 15)
