

PSHE Association Charter Mark

The Governors of TCC, Mrs Hazeldine - Headteacher and Mrs Goodman - PSHEe Co-ordinator have signed Torpoint Community College up for the PSHE Association Charter Mark.

What does this mean?

It means our College is committed to providing the highest quality PSHEe education in order to prepare students for the opportunities and responsibilities of life.

We want every student to be able to say...my PSHEe programme

- Builds on my real life experiences.
- Revisits themes and topics progressively challenging my thinking, beliefs and extending my learning.
- Provides me with information that is accurate, balanced and relevant.
- Offers a wide range of interactive teaching styles.

My PSHEe programme

- Is teaching me the knowledge, understanding, language, strategies and skills I need to manage my own life.
- Is helping me understand what my peers really think and do.
- Helps me recognise my progress and achievement in PSHEe.
- Is part of my whole curriculum that provides planned opportunities for my personal, social, health and economic development.
- Is located within a 'health promoting school'.
- Connects with my wider experience.
- Enables me to feel safe and confident to fully engage with learning.
- Is underpinned by a comprehensive pastoral system.
