Profile:

I have been part of the Torpoint Community College Governing Body for 5 years. I am married with four children, the youngest a student at TCC. I am employed by Babcock International and work at HMS Raleigh; I live in the local community. A strong believer that learning in the natural environment helps to develop resilience within young people I regularly support the College's Ten Tors Challenge teams.

As a Governing Body we represent local stake holders in supporting and challenging the Headteacher and College Leadership Team. We ensure the College builds upon standards achieved year on year and endeavours to provide outstanding education and equality of opportunity to all of our students.

Contact: email: harry@dapplegrey.co.uk

Profile:

Married with one child. I am Managing Director of a local business which manufactures/wholesales and retails wooden toys. I bring to Torpoint Community College 30 years of business and financial/management experience. I hope my 'down to earth' approach benefits the College. I am dedicated to improving the wellbeing and outcomes of young people at the College. I have an especial interest in young people from less advantaged backgrounds. Part of my job is to challenge and support the leadership team at the College. I also have involvement in financial and strategic matters. I make regular visits to the College and write reports on what I see - not as an educationalist but as a member of the public. I am happy to talk to parents/guardians regarding any of the above areas.

Link/Lead Governor to areas outlined in the College Development Plan 2015-2016 (available on the College website)

Register of Interests: Parent of a child aged 18 years or less educated in Cornwall

Contact: Email: enquiries@torpoint.cornwall.sch.uk

Profile:

I am married with 2 children and live in the local community. I have previous experience as a SEND Parent Governor at Millbrook School and felt a major achievement was assisting the School to achieve dyslexia accreditation. I therefore feel I know the experiences in supporting children with similar needs in School and how to improve their confidence and self – esteem, in order for them to develop the learning strategies to succeed at Secondary School. I would greatly enjoy the opportunity of helping support other Parents at the College.

2016-2017 attendance to date:

Full Governors: 5/5

Curriculum & Standards Committee: 3/3

2017-2018 attendance to date:

Full Governors: 5/5

Curriculum & Standards Committee: 3/3

Responsibilities: Governor Development/Training/Induction
Link/Lead Governor to areas outlined in the College Development

Register of Interests: Employee of Torpoint Community College (Learning Mentor)
Guide Leader
Swimming coach, RN RM Swimming Club

Contact: Email: porter.j@torpoint.cornwall.sch.uk

Profile:

I have been employed at Torpoint Community College for 12 years working within the SEN department and have been part of the Governing Body for 8 years. I grew up in Torpoint and attended the Torpoint Community College, as have both of my daughters.

After travelling around the country for a few years I returned to live in my home town of Torpoint and take an active part in the local community.

Within the College I run the training of students for the Ten Tors Challenge, which is a two day expedition on Dartmoor. I also help with the Duke of Edinburgh award training in the Torpoint & Rame area.

Responsibilities: TBC

Register of Interests: Children both under 18 currently educated in Cornwall.
Strong personal connections with Torpoint Community College.

Contact: Email: enquiries@torpoint.cornwall.sch.uk

Profile:

I am a new member of the Governing body at the Torpoint Community College, I am married with two daughters and a Pug. I have lived in Torpoint for over 30 years and attended the 3 schools in Torpoint just like my Dad, Father in law and many more family members, my daughters are also in 2 of the 3 schools in Torpoint. I currently work at Oxford University Press, an Educational publishing company, I specialise in Secondary and look after over 200 Secondary schools in Devon, Cornwall and the Channel Islands, offering support in all areas including curriculum support, digital resources, low ability support and much more..

Due to the nature of my job I am very aware of the issues and demands schools and teachers face, from specification changes, new grading at GCSE, government pressures and much more, I offer support to schools every day in a professional manner – these skills are transferable to my new Governor role here at TCC. I am in a unique position of working closely with Secondary schools and having a daughter in Secondary education who will sit the new graded GCSE's – so I have a good understanding of the pressures students face – I really do understand both sides.

I have a genuine interest in secondary education, seeing young people succeed and being the best version of themselves, especially those students in OUR community they are the future and it's an honour to help play a part in that.
