Dear Parent/Carer,

Re: Arrangements for trip to Torpoint Allotments on Thursday 18th July 2019 in Activities week

Your child has chosen a trip to the Torpoint allotments as one of their activities during this year's Activities Week and this will take place on Thursday 18th July.

The plan is for students to **register in room 18 at 9.10am** and we will then walk to the allotments located in Albion Road Torpoint. We will spend approximately two hours at the allotments doing various gardening tasks before returning back to the college. Thereafter we will visit Gardens for Life (located on the College site) and or complete seed planting in Room 18.

Students do not need to wear school uniform but should be dressed appropriately for gardening. They should also bring with them:

- **a drink/snack**
- **a hat and sunscreen**
- **a waterproof coat**

If you have any questions or would like more information regarding the day's activities please do not hesitate to contact me via the College's main reception.

Yours sincerely,

Miss Tricia Smith
Science Technician and Activity Lead
