Dear Parent/Carer,

Arrangements for the trip to Paignton Zoo in Activities week - Thursday 18th July

Paignton Zoo offer students a fun filled day out and with over 2,500 animals across 80 acres – you're in for a really wild time at Paignton Zoo!

Students will need to **register in lab 42 at 8.45am** promptly on the day of their trip. We will then travel by coach to the Zoo.

We will return to the College bus bay by **4.30pm** approximately. Should we be late or early we will ask your child to contact you by text.

Students do not need to wear school uniform but should be dressed appropriately.

Students should bring:

- **a packed lunch and a drink**
- **a hat and sunscreen**
- **a waterproof coat**
- **money (optional) for the Café/Gift shop**
- **mobile phone if possible so that students can contact home if we are held up on the return journey for example.**

If you have any questions or would like more information please speak to Mrs Bray at the College.

Yours sincerely,

Mrs D. Bray
