Strategy aims for disadvantaged pupils

Priority areas to address in 2019-20

Potential barriers to learning of Pupil Premium students have been investigated by carrying out learning walks, student shadowing, student voice, analysis of achievement, attendance and behaviour concerns, and through parents' views, CLT, staff and governor views over recent years. From our robust evaluation of the impact of previous years, strategies used and the fact we know our students well, we have identified the following priority areas as potential barriers to learning for disadvantaged students in our College:

1. Lower confidence in ability which impact on learning skills, achievement and attainment
2. High social and emotional needs which manifest in lack of confidence in risk taking
3. Higher level of Child protection and Care (safeguarding, emotional, physical, social and mental health needs) needs across the population
4. Unrealistic aspirations for self and lack of awareness of career and life chances
5. Lack of parental knowledge and at times experience of the qualification's framework
6. Low literacy skills for some Pupil Premium eligible students limiting access not only to English but also to the curriculum
7. Low levels of confidence with Maths and numeracy skills across the curriculum for some Pupil Premium eligible students
8. A lack of awareness of the big picture due to our location in a rural and coastal area and lack of facilities and range of employers – "cultural capital".

Pupil Premium funding has allowed us to introduce a range of interventions and strategies to support these students and to help address these barriers. The College's self-review cycle means that interventions are monitored, reviewed, evaluated and adapted as necessary.

As a small College and after discussion with CLT and staff we have decided not to tell students if they are picked for interventions due to being in receipt of Pupil Premium funding as this would be divisive in our small community and we feel it is better not to 'label' students based on their needs. We introduced cashless catering so that there is no way for students to discriminate between FSM and non-FSM students and reduce any possible stigma. Many of the interventions and strategies used are aimed at all students as it is vital to raise the attainment of all students in order to then close the gap between our pupil-premium eligible students and the national attainment of non-pupil premium eligible students. We also acknowledge that some non-pupil premium students face disadvantage as some students are from wards high on the deprivation index and therefore, they too benefit from universal interventions aimed at helping all students to achieve. This action plan is reviewed yearly.

Strategy aims for disadvantaged pupils

Aim	Target	Target date
Progress 8	To move towards a Progress 8 of 0 and reduce the gap between pupil premium eligible students and non-pupil premium students.	August 2020
Attainment 8	To increase the Attainment 8 to narrow the gap with non-pupil premium eligible students from 37.76 in line with Cornwall LA	August 2020
Percentage of Grade 5+ in English and maths	To increase the percentage above 25% in line with Cornwall LA	August 2020
Other	To increase the cultural capital of pupil premium students and identify and reduce potential barriers to learning. Ensure all students participate in the Health and Wellbeing week.	July 2020

Teaching priorities for current academic year

Initiative and the barriers to learning it targets	Total Budget ed cost	Pupil Premium Fund	Outcomes that are desired	Description of Activity / Intervention / Strategy *Where identified by Sutton Trust	How impact is to be measured i.e. what are our success criteria?
Curriculum: Additional Maths Practitioner Post 1, 2, 5, 7	£53,000	£30,000	To secure greater levels of progress for students in Maths. Increase engagement, continuity and intervention. Improved FSM progress and attainment in order to close any attainment gap.	Continuation of additional staffing to increase the quality of teaching and learning in Maths in KS3 and KS4, enabling greater progress of FSM students regardless of ability. This allows for smaller class sizes and increased intervention and enables curriculum changes. E.g. 5 classes for Maths per year group at KS4. <i>Sutton Trust: feedback +18 months / Learning Styles +2 months / Reduced class size +3 months Feedback has very strong evidence for improving learning and progress.</i>	Greater rates of progress in Maths KS3 + KS4. Increase in Attainment and Achievement of identified FSM students. Closing the gap for Pupil Premium students compared to non-Pupil Premium students in Maths.
Teaching Staff	£55,000	£55,000	Funding towards teaching staff to maintain capability and capacity to support the diverse range of needs, requirements and interventions.	Quality teaching and support for all students to help to diminish the difference between our Pupil Premium students and national non-Pupil Premium students. <p>Developing the intent and intended outcomes for the College curriculum, developing the assessment used across the curriculum</p>	<p>£3000</p>	<p>£1000</p>	<p>To improve teaching and learning for all categories of learners, taking into account recent research. A knowledge rich focus to curriculum planning – CloLs and teachers using “intelligent backward planning” to develop key stage 3 curriculum models that prioritise the teaching of concepts and knowledge that are fundamental to success in the subject.</p>	<p>High quality CPD organised by CLO, based on current research for all teaching staff focusing on improving the outcomes for all groups of students and removing barriers to learning due to disadvantage. Explicit instruction in terms of literacy, assessment practices, increasing cultural capital.</p> <p>Key principles: High challenge, low threat for all – expecting students to think hard but in an environment that is supportive</p> <p>Learning not tasks</p>	<p>CPD programme for 2020-21 Lesson observations Work scrutiny to show incorporation of key strategies e.g. regular retrieval of knowledge, spaced retrieval, self-quizzing.</p>
<p>Developing the role of assessment used across the curriculum 1, 2, 4, 6, 7</p>			<p>To think of assessment as a tool that creates a bridge between what is taught and what is learned.</p> <p>Creation of subject specific assessment policies</p> <p>Use of assessment as a tool to spot and fill knowledge gaps as they arise.</p> <p>Improve quality of questioning to focus on finding out what children don't know as well as what they do</p>	<p>It is inevitable that there will always be a gap between what we teach the students and what they actually learn. All of the evidence from cognitive science shows that students forget the vast majority of what they learn because as they travel from lesson to lesson, what has been learned in one class is ejected from the working memory to make sufficient space to process the next lot of information that is coming their way.</p> <p>This is why effective assessment strategies are absolutely essential to effective teaching and learning. It is the only way that we can know which specific bits, from the vast amounts of knowledge children encounter, are being stored in long term memories and which bits need to be retaught or revisited. And as with so much of teaching and learning, effective assessment practices will yield greater gains for disadvantaged learners who are more likely to fall behind their peers.</p>	<p>Developing the role of assessment used across the curriculum</p>

<p>Teaching and Learning (CPD) 1-8</p>	<p>£10,000</p>	<p>£1,000</p>	<p>Classes with higher proportion of Pupil Premium students focus on developing strategies to engage and accelerate learning.</p>	<p>Staff INSET organised by CLO: weekly blog on teaching techniques to support subject teachers, consistency of teaching strategies. Identifying knowledge gaps, knowledge schemas and deliberate practice such as retrieval activities. Focus on teaching vocabulary and developing reading skills across the curriculum. Development of new curriculum model.</p> <p><i>C4EO research: the quality of teaching makes the biggest difference to learning outcomes, pedagogy matters.</i></p>	<p>Lesson observations / learning walks with FSM students as focus. Observing evidence of research informed pedagogy. Increasing number of peer observations.</p>
<p>Curriculum and whole college: Literacy across the Curriculum 1, 2, 5, 6</p>	<p>£2,000</p>	<p>£2,000 including resources</p>	<p>Raise SPAG awareness across curriculum areas, INSET, reading age data monitoring and interventions, and through reading events.</p>	<p>CPE leading. Focus on further developing Accelerated Reader for students in years 7 and 8, students not achieving at least 3 levels of progress, Reading Age data on SIMS and auditing areas linked to new NC developments. SPAG activities tutor programme such as reading in KS3 tutor groups. Staff INSET to promote consistency in using literacy across the curriculum. Reading events in the library to promote enjoyment of reading. Literacy rep meetings with staff from across the curriculum leading to cross curricular dissemination of good practice.</p> <p><i>Sutton Trust: feedback +18 months / Learning Styles +2 months</i></p>	<p>Improved student and staff engagement and understanding of SPAG Student and staff voice surveys following SPAG/reading tutor programme Pupil Premium students' participation in reading events – reading calendar. Annual Literacy Survey. Statistics for reading age progress for pupil premium students</p>

<p>Literacy and reading 1, 2, 4, 6</p>	<p>£15,000</p>	<p>£8,000 Reflect PP / FSM need</p>	<p>Promotion of literacy and reading for all students including Pupil Premium through displays, such as word of the week, and greater awareness of reading for pleasure through displays such as author of the month and AR programme. Targeted reading levels and reading age progress. Rewards programme and displays to celebrate students' progress. Increased focus on reading during tutor time for KS3 tutor groups. Literacy extraction work: Students disappplied from MFL for literacy mentoring/ phonics.</p>	<p>From September 2014 use of Renaissance Learning / Accelerated Reader to close the gap between pupil premium and non-pupil premium students in years 7 and 8.</p> <p>Further Development of reading strategies such as reading time in English lessons. Dedicated Learning Mentor (JHA) to support underachieving students and Focused Librarian time (THO) during AR sessions. Parental engagement developed as part of this action plan in 2015-16 using bolt-on AR software that parents can access at home. Displays to promote reading and language acquisition e.g. word of the week, desert island reads, author of the month, book recommendations, word of the year. Continuation of peer mentoring - Book Buddies peer reading programme to intervene with low ability readers. English rewards system – Lockett Dollars and displays. Starbooks café in library at lunch once a week.</p> <p><i>Sutton Trust: Teaching assistants</i> <i>Low impact for high cost, based on limited evidence.+1month</i> <i>Digital technology</i> <i>Moderate impact for high cost, based on extensive evidence.</i> <i>+4 months Peer tutoring Moderate impact for very low cost, based on extensive evidence.+5 months</i></p>	<p>Improvement in STAR reader and reading levels to allow students to access curriculum Specific focus for PP students. Use of Parental Bolt-On to facilitate parental involvement Displays to promote reading and word of the week to promote language acquisition Book Buddies participation. Reading survey.</p>
<p>Disciplinary literacy – subject specific plans.</p> <p>Focus on introducing academic/ real world reading in every subject 1, 6</p>			<p>Improve effectiveness of disciplinary literacy in all subjects Teachers have a better understanding of the literacy demands of their subjects and how these can create barriers to student attainment Teachers actively thinking about teaching children to read alongside teaching content A shared approach to teaching reading and writing</p>	<p>CLO to:</p> <ul style="list-style-type: none"> • Deliver initial CPD to all staff to launch “A Common Framework for Teaching Reading and Writing” – a collection of techniques used by the English team. Subject teams to have time to discuss their disciplinary literacy priorities • meet with subject specific literacy representatives and create action plans. • Ensure all subject areas (apart from MFL) have mapped tier 2 and 3 vocabulary prioritized for explicit instruction • Provide materials to support non specialists to use high quality academic/ real world texts to teach children to read 	<p>Improvement in students’ ability to apply their literacy knowledge to other subject disciplines. A child who can read well in English will not necessarily do so in other subjects unless the teachers make it explicit that the same approaches are needed.</p>

<p>Change in curriculum time for some subjects – EBAC route 1, 7</p>	<p>N/A</p>	<p>N/A</p>	<p>Students have more lesson time in Maths as well as other EBAC subjects.</p>	<p>Continued timetabled focus is on increased Maths and English lessons from 8 x 1 hour per 2 weeks to 10 x 1 hour per 2 weeks. Also extra time in Science curriculum for separate Science students. Increase in Science curriculum time for year 7 and 8. More time for MFL in KS3. More time for EBAC subjects while maintaining access to creative curriculum. Encouraging more students to pick separate Sciences to raise aspirations.</p>	<p>Lesson observations Student Voice Parent Voice Examination results</p>
<p>Work Scrutiny / Feedback Metacognition 1, 2, 3, 4, 5</p>	<p>£500</p>	<p>£200</p>	<p>Greater and clearer understanding of learning and progress as well as next steps for all students – understanding ownership of learning gains and students know how to make further progress.</p>	<p>Start September 2014: Specific focus on feedback and Assessment for Learning for Pupil Premium students. CDP priority specific focus on feedback between subject teachers and students to improve learning and identification of next steps to make progress.
