

## KS4 remote learning guide...

Should the school close, your starting point to access work set for you is **Show My Homework**.

Make sure that if a closure is announced you collect and take home your books and revision materials.

|           | What is the name of my teacher(s)? | Which exam board am I studying for?  | What types of learning/ activities will be set? What resources will I need?   | How long should I spend completing work? |
|-----------|------------------------------------|--|---|--|
| Maths     |                                    | Edexcel  | <p><b>Year 10</b>- topics set by your teacher to complete on MyMaths. These will be lessons as well as tasks, make sure you read the instructions on SMHW carefully to see what to do.</p> <p><b>Year 11</b> – revision for GCSE exams. This can be booster packs on MyMaths, or legacy papers via mrbartonmaths, it could be quizzes via accessmaths or mathsgenie, or mathsbot. All of these provide a really good variety of activities as well as a choice of many topics.</p> <p>The grade 3,5,7,9 booklets will also be shared on SMHW with solutions for you to check if you wish to base work around these.</p> | 4-5 hours per week                       |
| English   |                                    | AQA<br>Language – 8700<br>Literature -8702                                       | Retrieval quizzes<br>Exam tasks<br>Memorisation drills  | 4 hours per week                         |
| Science   |                                    | AQA<br>Biology 8641,<br>Chemistry 8642,<br>Physics 8643<br>Combined Science 8644 | Past papers<br>learning grids<br>PowerPoints  | 5 hours per week                         |

Further information:

- Email your class teacher if you have any problems
- If you forget your MyMaths password send an email to: [maths@torpoint.cornwall.sch.uk](mailto:maths@torpoint.cornwall.sch.uk)
- The PE staff will share some links to sites that help you to exercise at home
- A TCC English YouTube channel has been created. Your teacher might use Show My Homework to direct you to access this channel and watch a video on YouTube to support your learning.
