Initial UCAS questions

You need to enter your buzzword on this page. If you do not know the buzzword, your tutor or careers adviser will give this to you. You will only need to enter your buzzword at this stage and then it will no longer be needed.

(Buzzwords are case sensitive and should be entered exactly as supplied.)

Buzzword*

tccisthebest

Your buzzword should have been given to you by your tutor or careers adviser. This is very important, as it helps us establish which organisation you're applying from. It also enables your referee to attach your reference and send your application to us once all parts are complete. By entering your buzzword, you give your permission for your school, college, careers centre, or other organisation to access and view the progress of your application.

If you wish to withdraw your request to link to a centre, so you can add a reference from a different source, or if you no longer want them to see the progress of your application, please call our Customer Experience Centre on 0371 468 0 468.

Your buzzword is:

tccbrilliant

This will link your account to the College and allow us to add your reference later.

In September you will be able to add in the 5 Universities you are applying to and attach your Personal Statement

You can also begin to fill in sections on Education, Employment and Personal Details
