- **Arrival-** Please arrive for an 8.45am start (no earlier), students should make their way to the door of main Reception only (no other access points), where they will be greeted by the Pastoral Team. If your child is due to arrive by bus, staff will be present in the bus bay and will accompany students to the door at Reception. If you plan to walk your child to College on that day, please only walk them to the traffic island at the bottom of the drive or to the bicycle sheds and do not enter the Reception area or the area immediately outside Reception.
