

Quick Guide SIMs Parent App

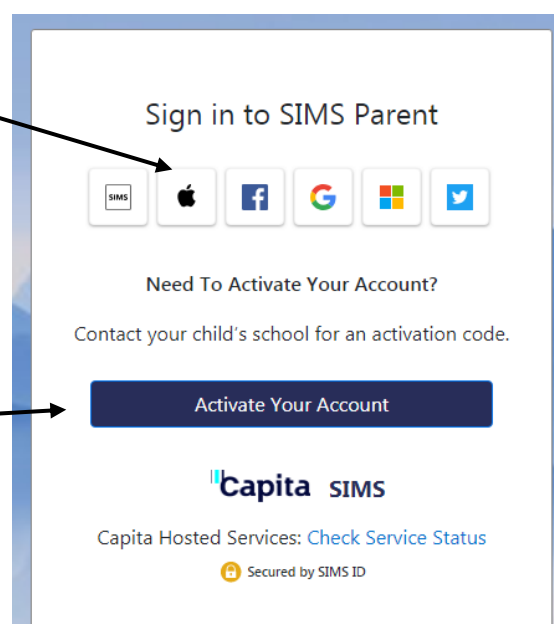

1. We will send you an activation email to your chosen email account. Simply click on the link from your tablet, PC or smartphone to activate your account. (The email will be from noreply@sims.co.uk -please check your SPAM or Junk folder if you cannot find it).
2. You then select an existing account of your choice to register SIMs Parent App for example: Facebook, Twitter, Google or Microsoft. (Please note that you cannot log in using the SIMS ID option)

3. You will be asked the date of birth for one of your children at the school in the form of DD/MM/YYYY.
4. You have now registered for SIMs parent App. You will be sent an email to verify your account.
5. On your smartphone or tablet, download the app from the Google Play or Apple App store and sign in using your chosen log in details above.

If you are logged out of your account on the app you might see the following screen. All you will need to do is click on the icon at the top of the screen that matches the existing account you signed up with. You will then be logged back in.

You **do not** need to click 'Activate Your Account' as you have already done this.
