Thank you for considering Torpoint Sixth Form for the next stage of your education.

We would love to see you enrich your experience of post-16 by choosing TCC Sixth Form: we know we have the size, commitment and passion to help you on your journey to becoming a successful adult after TCC Sixth Form, ready to participate fully and actively in society. Our strength lies in our knowledge of you and our small size is our strength.

In year 12, all students are invited to choose 4 subjects, which is then reduced to 3 by the end of year 12. We only offer subjects which make you able to move to your next steps, be it university, employment or training. Over the course of the next few weeks we will hold individual consultation meetings with every Year 11 student to discuss the range of options available.

We will create option blocks as a result of the first round of consultations so that we can give as many students as possible the combination of subjects they want to study with us.

Proposed Subjects September 2022			
English Language	Chemistry	Physics	CAMTEC Sport
Geography	English Literature	Art and Design	Drama
Biology	Media Studies	Mathematics	
Spanish	Psychology	History	

Please note that CAMTEC Sport is a Double Award and counts as 2 A Levels. It will take up two option choices

Please record below your preferred choices and any alternative choices as this will help ensure we can meet your need and plans for study post-16. In some rare cases a course might not be able to run. If this occurs, Mr Golding will contact you as soon as possible so alternative arrangements can be made. We will also meet all of year 11 again in the spring term to hold further discussions regarding your post-16 plans.
