## Pupil Premium at Torpoint Community College

### Introduction

The Pupil Premium was introduced by the Coalition government in April 2011 to provide additional funding for disadvantaged students. The premium is paid for students who have been eligible for free school meals over the previous six years or who have been in care or adopted from care. A separate grant is paid to schools to enable them to support the emotional and social well-being of service children.

**The PPG per-pupil rate for 2021 to 2022 is as follows:**

<b>Disadvantaged pupils</b>	<b>Pupil premium per pupil</b>
-----------------------------	--------------------------------

---

<b>Pupils in years 7 to 11 recorded as Ever 6 FSM as well as eligible NRPF pupils in these year groups</b>	<b>£955</b>
--	-------------

---

<b>Looked-after children (LAC) defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority</b>	<b>£2,345</b>
---	---------------

---

<b>Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, or child arrangements order (previously known as a residence order)</b>	<b>£2,345</b>
---	---------------

---

<b>Service children</b>	<b>Service premium per pupil</b>
-------------------------	----------------------------------

---

<b>Pupils in year groups reception to year 11 recorded as Ever 6 service child or in receipt of a child pension from the Ministry of Defence</b>	<b>£310</b>

### Definition of 'Disadvantaged' Pupils

Since 2015 a pupil will be defined as disadvantaged in the primary performance tables if they are recorded as:

- o **Eligible for Free Schools Meals (FSM) in the last six years; or**
- o **Looked after continuously for 1 day or more; or**
- o **Adopted from care**

This information can be found in the DfE Statement of Intent.

For mainstream and special academies, the pupil premium for 2021 to 2022 will include pupils recorded in the October 2020 school census who have had a recorded period of FSM eligibility since January 2015, as well as those first recorded as eligible at October 2020.

For the purposes of these grant conditions, these pupils are collectively referred to as Ever 6 FSM.

Children with no recourse to public funds (NRPF)

For 2021 to 2022, pupil premium eligibility is being extended to pupils eligible for free school meals under the temporary extension set out in the coronavirus (covid-19): temporary extension of free school meals eligibility to NRPF groups guidance.

### **Applying for Free School Meals (FSM)**

Torpoint Community College relies on individual parents to apply for free school meals for their child, which means that we only receive the Pupil Premium funding for students once parents and carers have applied. We would therefore encourage parents and carers to apply for FSM where applicable. Application forms are available during Parent Consultations on Academic Review Days or at any time from the College Reception and College website (search for Pupil Premium).

The form is also available on the Cornwall Council website:

<https://www.cornwall.gov.uk/media/34633345/fsm-new-application-form-sept-18.pdf>

The eligibility criterion to claim for free school meals is to be in receipt of one of the following:  
Income Support

Income-based Jobseekers Allowance

Income-related Employment and Support Allowance

Support under Part VI of the Immigration and Asylum Act 1999

The guaranteed element of State Pension Credit

Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)

Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit

Universal Credit

Children who get any of the above benefits in their own right (i.e. they get benefits payments directly, instead of through a parent or guardian) can also get free school meals.

### **Amount of Pupil Premium Funding at Torpoint Community College**

## College Vision

### *Inspiring optimistic learners.*

The overriding aim of the use of the Pupil Premium funding received by the College is to ensure that the attainment gap between students in receipt of Pupil Premium funding is reduced compared to all students not in receipt of the funding nationally. It is used to fund many universal interventions within the college; academic and pastoral interventions to support all students, as it is vital to close the gap between all students at TCC and all students nationally in order to achieve this.

## Principles

We ensure that teaching and learning opportunities meet the needs of all of the students. We ensure that appropriate provision is made for students who belong to vulnerable groups; this includes ensuring that the needs of socially disadvantaged students are adequately assessed and addressed. CPD is research-based and focussed on how to enable students to learn, through the development of the College's well sequenced STEAM curriculum.

In making provision for socially disadvantaged students, we recognise that not all students who receive free school meals will be socially disadvantaged.

We also recognise that not all students who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any student or groups of students the College has legitimately identified as being socially disadvantaged.

We remind parents to apply for FSM, for example, with application forms available at Academic Review Days and reminders such as the College newsletter and website.

## Identifying potential barriers to learning

TCC is a small college and staff know students well. Regular feedback from students for example after focussed student group meetings, surveys, and meetings with the Student Council, as well as learning walks and lesson observations, feedback from staff at pastoral and department meetings and feedback from the Student Support Centre and Intervention Assistants have helped to identify and monitor potential barriers to learning.

The main barriers of learning for students that have been identified are as follows and are addressed by the Pupil Premium Action plan.

1. Lower confidence in ability which impact on learning skills, achievement and attainment
2. High social and emotional needs which manifest in lack of confidence in risk taking
3. Higher level of Child protection and Care (safeguarding, emotional, physical, social and mental health needs) needs across the population
4. Unrealistic aspirations for self and lack of awareness of career and life chances
5. Lack of parental knowledge and at times experience of the qualifications framework
6. Low literacy skills for some Pupil Premium eligible students limiting access not only to English but also to the curriculum
7. Low levels of confidence with Maths and numeracy skills across the curriculum for some Pupil Premium eligible students
8. A lack of awareness of the big picture due to our location in a rural and coastal area and lack of facilities and range of employers

Pupil Premium funding has allowed us to introduce a range of interventions and strategies to support these students and to help address these barriers. The College's self-review cycle means that interventions are monitored, reviewed, evaluated and adapted as necessary.

## Provision

The interventions and provisions funded by Pupil Premium are detailed in the Pupil Premium Action Plan and include universal, focussed and targeted strategies to support students.

All our work through the Pupil Premium will be aimed at accelerating progress moving students to at least age-related expectations and in line with non-disadvantaged students nationally. Universal interventions include funding for a Pupil Premium Champion, an additional Maths teaching post to reduce class sizes at key stage 4, funding for teaching staff, Literacy across the Curriculum and literacy focus in tutor programme,, Study Skills programme such as tutor sessions, the Key Stage 4 Study Café, Accelerated Reader for years 7 and 8, teaching and learning CPD including evidence base research and a CPD portal to ensure high quality teaching and learning for all students, work scrutiny', and key stage 4 revision classes. There is now a high-quality remote learning portal available to all students. Recognition and rewards coordinator role , transition programme into key stage 3 (lead CLI), Forest School Coordinator (DLU), Show My Homework subscription, Attendance Coordinator role (GBA), Cashless Catering and use of Parent Pay, e-learning subscriptions, Quizlet, state registered school nurse drop in sessions, exam access arrangements and preparations. Focussed small group strategies include use of Learning Mentors to work with groups of students to help raise self-esteem and confidence and promote positive behaviour. Small group literacy and maths support and targeted careers interventions.

Targeted intervention include emotional, health and well-being support in SSC, pupil premium admin such as phoning parents to improve parental attendance at parents' evenings and Academic Review Days, individual support programmes – such as use of hardship fund to buy book and uniform on a case by case basis, exam entries for alternative curriculum provisions for students at alternative placements, targeted attendance interventions, pupil premium revision guides that can be loaned to students, free books to promote reading to Pupil Premium students in year 7.

## **Reporting**

Documentation for parents, students, staff and governors about the Pupil Premium can be found on the College website and include documents such as this Pupil Premium policy, and the College's Pupil Premium statement.

Staff with responsibility for Pupil Premium

Senior Assistant Head Teacher: Mrs Blandin-Neaves (MBL)

Pupil Premium Champion: Mrs Bray (DBR)

Link Governor: Mr Parton

Please address any queries about applying for FSM to the Attendance Manager in the Admin Office.

The Senior Assistant Headteacher and Pupil Premium Champion meet regularly to monitor the progress, attendance and behaviour concerns for students in receipt of Pupil Premium funding in order to plan and evaluate strategies and interventions used to support the students.

## **Appeal**

Any appeals against this policy will be through the governor's complaints procedure.
