# Examination Assembly 2023

Exam regulations are strict and even small infringements can have serious consequences

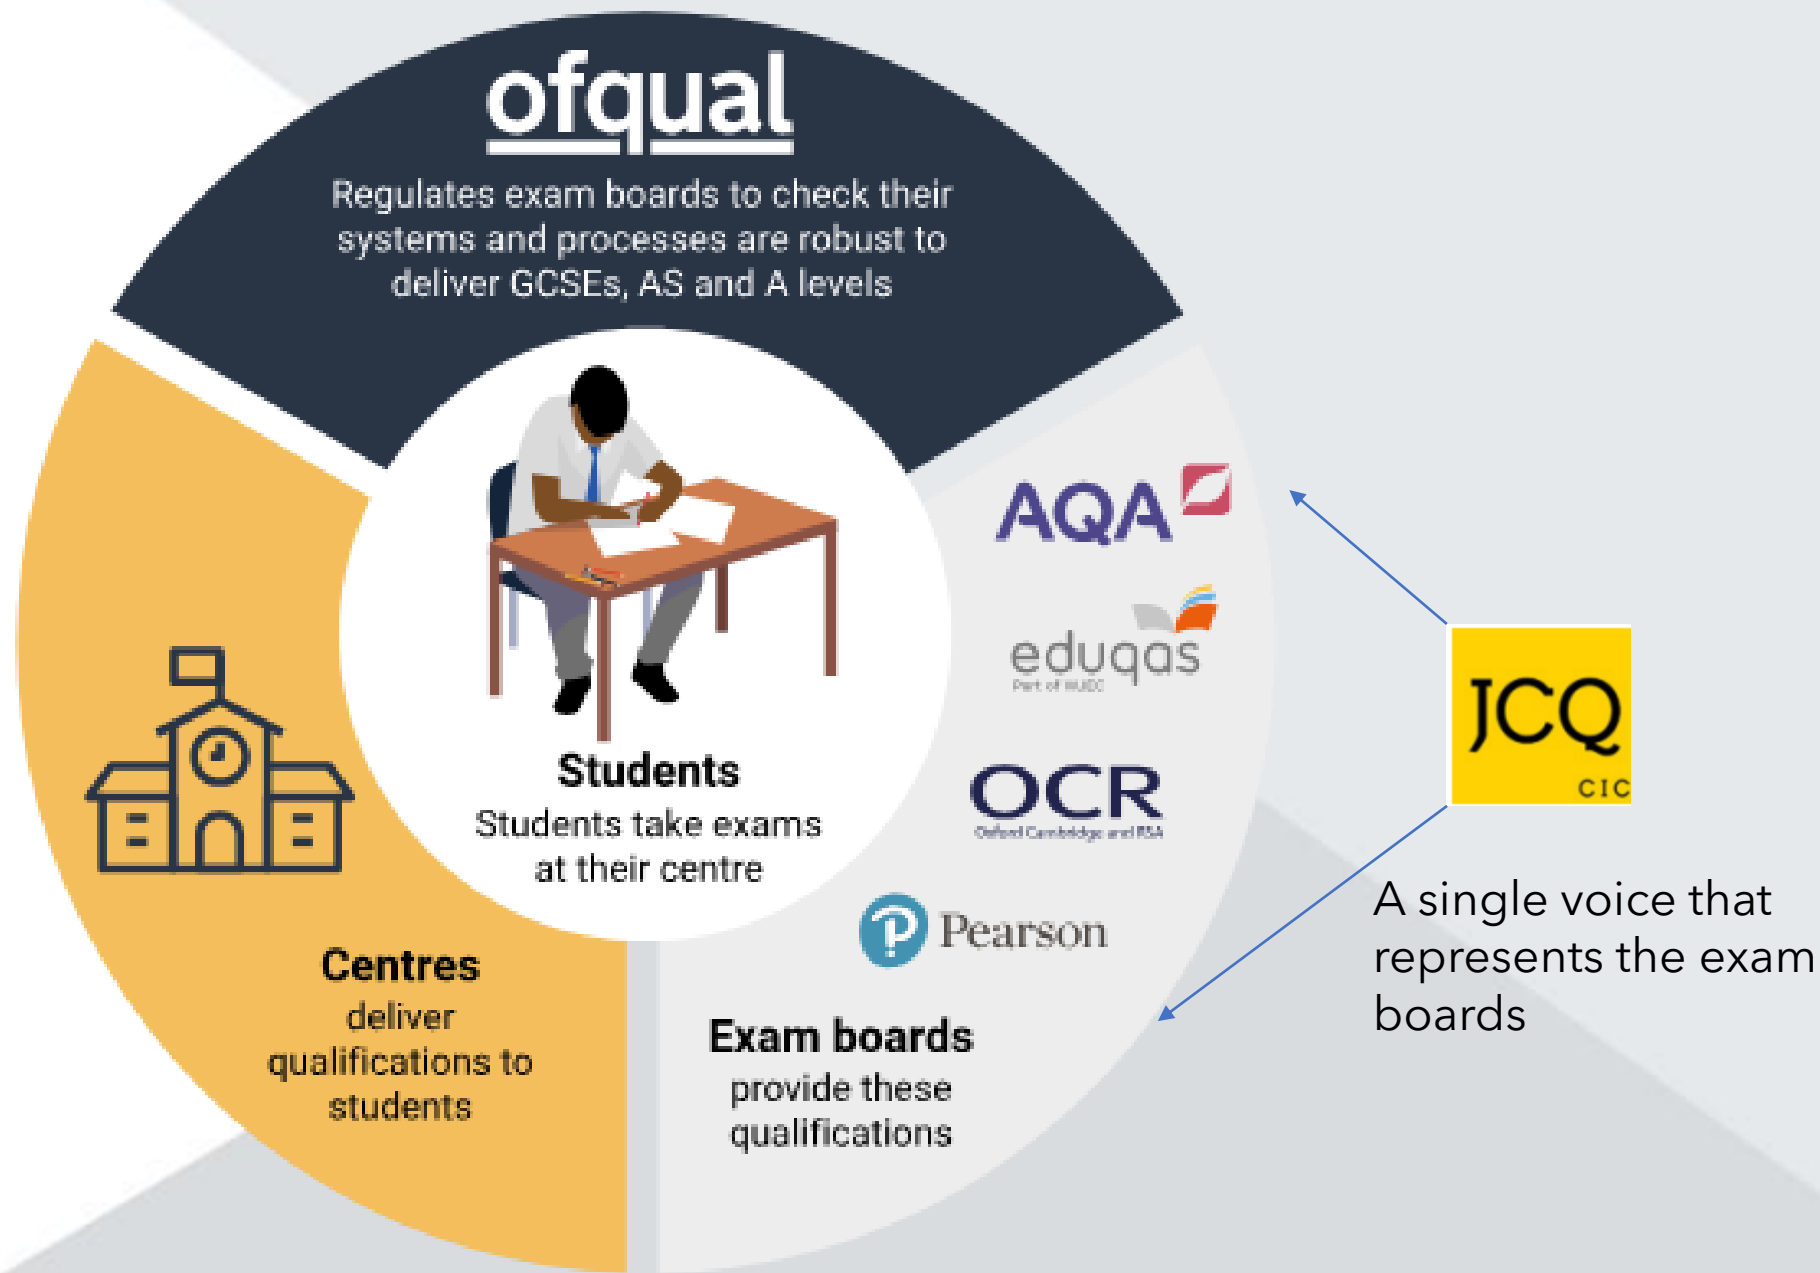

This is an excellent centre and we have an excellent track record for ensuring exams are conducted properly so that all students can achieve their very best

It is essential that you understand the key rules and procedures which I will share with you

**TORPOINT  
COMMUNITY  
COLLEGE**

INSPIRING OPTIMISTIC LEARNERS

# The regulations

1. Be on time for all your exams. If you are late, your work might not be accepted.
2. Do not become involved in any unfair or dishonest practice during the exam.
3. If you try to cheat, or break the rules in any way, you could be disqualified from all your subjects.

# Prohibited items

You must not take into the exam room:

(a) notes;

(b) an iPod, a mobile phone, a MP3/4 player or similar device, a watch, AirPods, earphones/earbuds.

If you have a watch, the invigilator will ask you to hand it to them.

Any pencil cases taken into the exam room must be see-through.

Hats/ hoods up

Remember: possession of unauthorised material is breaking the rules, even if you do not intend to use it, and you will be subject to penalty and possible disqualification.

## Some “must-nots”

Do not use correcting pens, fluid or tape, erasable pens, highlighters or gel pens in your answers.

Do not talk to or try to communicate with, or disturb other candidates once the exam has started.

You must not write inappropriate, obscene or offensive material.

Do not borrow anything from another candidate during the exam

If you leave the exam room unaccompanied by an invigilator before the exam has finished, you will not be allowed to return.

# Be prepared

1. Know the dates and times of all your exams. Arrive at least ten minutes before the start of each exam.
2. If you arrive late for an exam, report to the invigilator running the exam.
3. If you arrive more than one hour after the published starting time for the exam, you may not be allowed to take it.
4. Only take into the exam room the pens, pencils, erasers and any other equipment which you need for the exam.
5. You must write clearly and in black ink. Coloured pencils or inks may only be used for diagrams, maps, charts, etc. unless the instructions printed on the front of the question paper state otherwise.

# Calculators/ spell checkers

You may use a calculator unless you are told otherwise. If you use a calculator:

- (a) make sure it works properly; check that the batteries are working properly;
- (b) clear anything stored in it;
- (c) remove any parts such as cases, lids or covers which have printed instructions or formulae;
- (d) do not bring into the exam room any operating instructions or prepared programs.

Do not use a dictionary or computer spell checker unless you are told otherwise

## In the exam hall

Always listen to the invigilator.

Always follow their instructions.

Tell the invigilator at once if:

- (a) you think you have not been given the right question paper or all of the materials listed on the front of the paper;
- (b) the question paper is incomplete or badly printed.

# In the exam hall

Read carefully and follow the instructions printed on the question paper and/or on the answer booklet.

Do not start writing anything until the invigilator tells you to fill in all the details required on the front of the question paper and/or the answer booklet before you start the exam. Do not open the question paper until you are instructed that the exam has begun.

Remember to write your answers within the designated sections of the answer booklet

Do your rough work on the proper exam stationery. Cross it through and hand it in with your answers. Make sure you add your candidate details to any additional answer sheets that you use, including those used for rough work.

# Advice and assistance

If on the day of the exam you feel that your work may be affected by ill health or any other reason, tell the invigilator.

Put up your hand during the exam if:

- (a) you have a problem and are in doubt about what you should do;
- (b) you do not feel well;
- (c) you need more paper.

You must not ask for, and will not be given, any explanation of the questions.

## At the end of the exam

If you have used more than one answer booklet and/or any supplementary answer sheets, place them in the correct order.

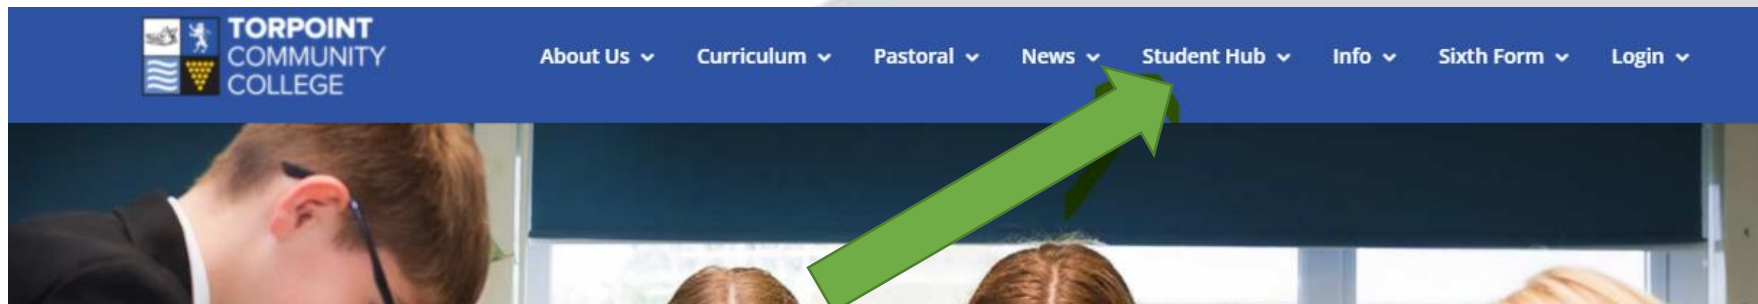

Place any loose additional answer sheets inside your answer booklet.

Make sure you add your candidate details to any additional answer sheets that you use.

Do not leave the exam room until told to do so by the invigilator.

Do not take any stationery from the exam room. This includes the question paper, answer booklets used or unused, rough work or any other materials provided for the exam.

- **PLEASE TAKE TIME TO READ AND ADHERE TO THE REGS - they are on the college website under STUDENT HUB 'Exam Guidelines', on Show My Homework, emailed to exam students yr10-yr13, and sent via the Parent App...**

# Holidays

It is in the best interests of all our students if **holidays are not taken** in term time, as this has serious repercussions on teaching and revision leading up to examinations.

Also - the JCQ/Exam Boards may have to move an examination to a different date later in a season which means it is important **not to go on holiday until after the last date in that season** has passed(not the last date on your timetable).
