ACADEMIC YEAR 2023/24

Autumn TERM

Tuesday 5th September – Tuesday 19th December

Headteacher's Message

As the 2023 Autumn Term draws to a close, I have spent some time looking through the newsletters that have been published this term and reflected on the array of achievements, enrichment activities, and wide range of events that students and staff have enjoyed. The College has been a hive of activity including the most recent Christmas Party Pieces event last Thursday which was a sell-out and a great success. Students and staff also enjoyed Christmas lunch last week, followed by this week's Christmas themed mufti day, which I am sure has got all into the festive spirit.

We have hosted a number of career's events this year, with parents invited to the most recent event which was well supported and I hope of interest and value to those who attended. These events would not be possible without the support of local employers and businesses to whom I am very grateful for their continued support. There have also been a number of external trips and visits for students, including to the theatre in London, and too many sporting events and successes to list here. I have asked Mr Evans to provide a summary of these which he has kindly produced for this newsletter.

Internal mock exams have started for our Year 11 and 13 students, and these will continue in the New Year. Our Year 9 students have been introduced to the Key Stage 4 options process. There will be an Options Evening on Tuesday 16th January 2024 to explain more about this process and I would encourage all Year 9 parents to attend.

I would like to take this opportunity to thank all students and staff for their kind donations for the food bank. A huge collection was achieved by the College, and these provisions have now been collected by food bank volunteers and are already on their way to

members of our local community. Well done to Tregantle House for the significant contribution made to the food bank collection, and I know they enjoyed an extra muffin day in recognition of this.

I had the pleasure of attending a blessing and boat launch at Cawsand for one of our Year 9 students, Antony, last weekend - Cornwall's youngest fisherman! There has been a great deal of media coverage regarding Antony's journey to date, and both BBC Spotlight and BBC Radio Cornwall were in attendance at the event on Saturday 9th December. There is further information on this event in the newsletter. I look forward to watching how Antony's business develops over the coming months and years with great interest.

Over recent months there has been a significant amount of work completed by the College and its partners on the proposed 9x9 3G Football Turf Pitch, to be located behind the YMCA Sports Hall. I am hugely grateful for all the support we have received in respect of this project, the fund raising completed and the funding committed by different organisations. There is a Boxing Day football match between Torpoint Athletic FC and Millbrook AFC at The Mill which will also help raise funds towards this project so please support this if you can. There is still much to do, but we are striving forward with the project with the aim of having this facility in place by the end of 2025.

At the end of this term, we say goodbye and thank you to Miss Becci Pine, teacher of science, and Mrs Emma Penter, teacher of psychology. I am grateful for all that they have contributed to the College and wish them both well in their new adventures and for the future.

Finally, I would like to wish you all a very Merry Christmas and I look forward to welcoming back students on Thursday 4th January 2024.

Merry Christmas!

Dr Jeremy Plumb
Headteacher

Reporting your child's absence

We are having increasing numbers of parents/carers who are not reporting their child's absence from the College. You will appreciate that when a child is not in school, and we have not heard from parents/carers, this is a safeguarding concern for us. We are currently spending a significant amount of time investigating the whereabouts of children who are not properly accounted for and are therefore asking for parents' support in helping to address this problem.

We ask that all parents/carers contact the school before 9am on the day of their child's absence. This can be done by telephone or e-mail. Thank you for your support.

Ten Tors training – Sunday 3rd December

It was another successful day for students training for the Ten Tors Challenge. Spirits were high as participants set off for the circular route to and from Postbridge to complete the Christmas walk. Although the weather was very wet at times, there was still a tiny bit of snow lying around to give students the opportunity to have a small snowball fight.

Chocolates were available for the students at the end of the walk, and biscuits for the band of volunteers out supporting them!

Well done to everyone involved and we are looking forward to the next walk in January 2024.

Ten Tors fund raising

A massive thank you to Nicky Blair, parent volunteer, who raised over £300 for the Ten Tors fund.

Nicky organised a raffle with loads of wonderful prizes and then sold tickets at the fete at the Carbeile Inn. Nicky and another parent volunteer, Amy Early, spent the afternoon promoting the College's Ten Tors Challenge activity.

A Festive Torpoint Thank You

Our Student Council have been spreading some festive cheer this week by organising a gratitude project.

Demonstrating gratitude is the ultimate wellbeing booster. People love it when they are thanked for something when they don't expect it – that simple act of kindness can make someone feel really valued. And studies have found that people who regularly demonstrate gratitude are much happier: thinking about what is good in our lives – what we have to feel grateful for - and saying thank you is great for our wellbeing.

The Student Council have therefore worked with the College's Leadership Team to create thank you postcards and then given every student at the school the opportunity to write a thank you message to a member of staff of their choice. Hundreds of postcards have been written and the messages are really inspiring. The students at the College have recognised the many acts of kindness demonstrated by adults who teach and support them that not only help them to learn, but also ensure they are cared for. Members of the Student Council have this week been delivering the postcards to staff to ensure they know that their work is highly appreciated.

As a staff body, we would like to send our thanks to every student at the College for being such wonderful humans.

Christmas Challenge

Some Year 8 science students took part in the GCHQ Christmas challenge last week. Their mission was to crack all seven puzzles written by GCHQ agents to uncover a secret seasonal message. The puzzles were very challenging, and students worked well in their teams with some even cracking all seven puzzles. Well done!

This is now the fourth year of GCHQ Christmas Challenge, but what is the GCHQ?...read on to find out what they have to say:

"The Government Communications Headquarters (GCHQ for short) is one of the three UK Intelligence and Security Agencies, along with MI5 and the Secret Intelligence Service (MI6). GCHQ protects the UK and its citizens from individuals, groups and countries who wish to do us harm, or damage us financially. We work round the clock to help to keep the country safe. Our brilliant people use cutting-edge technology, technical know-how and wide-ranging partnerships to identify, analyse and disrupt threats. We always strive to stay one step ahead."

To find out more about the work of the GCHQ and career possibilities, or if you fancy having a go at more GCHQ puzzles, you can take a look here: [Puzzles - GCHQ.GOV.UK](https://www.gchq.gov.uk/puzzles)

The Rt Hon Gillian Keegan MP, Secretary of State for Education, has launched two consultations in recent weeks. The Education Secretary and the Department for Education are keen to hear from teachers, school leaders, parents, students and employers in all of these consultations. The links below are therefore shared with our wider school community so as many people as possible can have a say on these important issues.

- [Advanced British Standard](#) – we are seeking views on the design and implementation of the landmark qualification framework, as well as how it will be assessed and awarded, and how to make sure the changes benefit all students. The consultation is open for 14 weeks, closing on 20 March.
- [Introducing minimum service levels in education](#) – help us design a policy to protect children and young people's education whilst balancing an individual's right to strike. This consultation is open until 30 January.

Torpoint Community College students hit the press!

Antony Newcombe

On Saturday 9th December, I had the pleasure of attending the blessing and launch of Anthony's new boat. Anthony, one of our Year 8 students, runs his own business as a self-employed fisherman. He has been working very hard preparing his new boat which was donated by Coastline Scrapyard. Anthony has also been supported by Fishtek Marine who have provided technology products and Ghelforce Marine with equipment including oil skins.

Anthony is clearly working hard developing his business and will be taking his sea survival course moving forward. We wish Anthony great success with his path ahead.

Dr Jeremy Plumb.

Harry Martin and Liam Hogan

Two of our students have taken on a challenge of re-creating the town of Torpoint in the creative block-based game Minecraft.

Experienced Minecrafters, Harry Martin and Liam Hogan, have both built up a vast following on their Minecraft based YouTube channels and as a result have gained a plethora of gaming knowledge needed to take on this project.

Harry explained: "We decided to begin this project as we have always found the concept of a digital replica of Torpoint that you can walk around in and interact with your friends a very interesting idea and wondered how we could do it."

Well done Harry and Liam - we love your creativity!

Careers Event

On 5th December, TCC welcomed a wide variety of local career representatives into the College. All Year 9 students took part in a careers workshop, considering local labour market information and employability skills needed for different types of careers. Students worked in small groups to speed network with our visitors, asking questions to find out about their careers, the skills and qualifications required and why they should consider working in that sector. The aim of the event was to raise awareness of the huge range of careers and opportunities out there and to encourage all students to aspire to achieve their potential.

Thank you to all that supported this event including: Lucie Jones, Ella Lewis, and Matthew Miller from Woollcombe Yonge Solicitors; Sgt Liam Quinn from the RAF; Vicky White, Helen Taylor and Rachel Amos from the School Nursing Team; PO Iain McRoberts from the Royal Navy; the Army; Emma Stockley, Archaeologist; Corrina Bowers from NHS Apprenticeships; Natalie Jary, NHS Careers Hub; Charmaine Scrace, DWP School Advisor; Adam Foster BD (Becton Dickinson); Jodie Hardwick, Smiley Happy Photography; Graham Chinn, Principal Building Control Office, Plymouth City Council; Jim Bailey, Director, RPS Consulting; John Hooper from KCML Chartered Surveyors; Harry McGuire from Network Rail; Adam Smilie, Loss Adjuster from Crawford and Company; Malcolm Smith from AtkinsRealis and Ching Wong from AECOM. Thank you to the College's Enterprise Advisor, Julie Putman from CIOB for helping us to make links with these different employers and organisations.

In the afternoon we invited students from Year's 7 to 11 to attend with a parent, carer or family representative for informal chats with the career representatives and for some cake. We were delighted that over 50 students and their families attended this. Across the day, fantastic conversations about next steps and future careers took place. Students had never heard of some of the occupations featured, such as being an insurance loss adjustor and were interested after the event to find out more. We also now have several students interested in Archaeology and becoming water treatment engineers, surveyors, solicitors and joining the services.

Can you help support a future Careers event?

We would like to build on this event and help our students speak to people from an even greater range of careers. If you have an interesting career and would be willing to come in to speak to students, and students and their parents, about your careers, we would be delighted to hear from you. We would love to hear from parents, our students' families and former students. We are planning future events for students and parents in February, March and May. Please email Mrs Bray, Careers Leader to get involved at brayd@torpoint.cornwall.sch.uk

Call out for **Careers Volunteers!**

Parents, Carers & Alumni,

At TCC we firmly believe that broadening what children know about future opportunities can have a huge impact on their aspirations, motivation, subject confidence and future wellbeing.

We also understand that we have a strong community where we have many parents, carers and alumni with amazing jobs and professions.

With this, we would really love you to join our growing community of 'Careers Volunteers'. We understand just how busy parents and carers are but would be grateful for any time you can contribute – even if it's 20 minutes a year.

We would love to embed a regular programme of events for our students from Year 7-13 to help broaden their understanding of careers and inspire them to look at potential future pathways.

If you have 20 minutes or more to spare over the year and would like to support our community, please email-
careersteam@torpoint.cornwall.sch.uk

Or complete the Google Form-

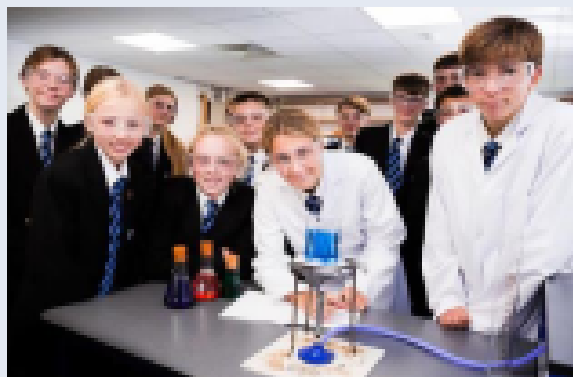

<https://forms.gle/crXTpmaFjtV1UBxm7>

Please include the following-

- Your name
- Job/Profession
- Activities you would be happy to complete e.g. class talks, assembly, careers workshops, small group coaching, Q & A session, challenge day (Or anything else you feel passionate about!)
- Year group preference- is there a particular year group you would like to work with?
- Your preferred contact details (phone number, email)

Thank you!

PE & SCHOOL SPORT FULL TIME REPORT

Torpoint Community College achieve School Games Mark Silver Award for 2023

The PE Department is delighted to announce the College has achieved the School Games Silver Mark Award for the 2022/23 academic year.

The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust, to reward schools for their commitment to the development of competition across their school and into the community. We are delighted to have been recognised for our success.

With an increasing number of young people competing in local inter-school competitions this year, we are extremely proud of our students for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

We look forward to applying once again and going for Gold in 2024!

(Mr Evans)

Football Successes

Boys Football

Since September, we have welcomed 88 boys to training sessions every week in years 7, 8, 10 and 11. This continues into the new year and any student is more than welcome to attend these weekly sessions after school.

So far this term the College has had teams compete in the English Schools Football Association national cup competition in both the boys and girls categories.

The Year 8 Boys have beaten:

Shebbear College 12 – 1 (home)

Pool Academy 10 – 1 (away) and

St Ives School 6 – 1 (home) and are now through to the last 32 teams in the country.

The Year 10 Boys have beaten:

Pool Academy 8 – 0 (home)

St Ives 3 – 1 (away) and

Mullion School 3 – 2 (home) and are now through to the last 16 teams in the country.

Both teams have performed amazingly and have been a real credit to our community both in terms of the level of their performance, but also in the manner and sportsmanship shown throughout. We await the draw for the next rounds of the competition and will keep you updated in the next full time report.

In the new year, the boys' teams in Years 7, 8, 10 and 11 start their Cornwall Schools County Cup campaigns with Year 7 looking forward to a trip to Brannel School, Year 8 start with a local derby hosting Looe Community Academy and Year 10 have been drawn away to Launceston Community College.

(Mr Evans)

Girls Football

So far this term, the Under 15 Torpoint Community College girls' team has competed in the English Schools Football Association national cup competition. They did amazing and the results were:

Beat Cape Cornwall school 8 – 1, had a bye against Hayle School but unfortunately lost 12 – 0 to a very strong Pool Academy team. They now look forward to a match against Liskeard Community College in The Cornwall Schools County Cup in the new year.

Miss Rowe took 2 teams across Year 7/8 to play in the Football matches. This was an exciting opportunity for the 7/8 students, especially for those who were representing the school for the first time! Every team played six matches each and the girls worked relentlessly in both attack and defence. It was lovely to see how proud they all were both during and after the games. *Nikita* came away with two goals! Please see the results below:

1. Torpoint A V Callington B 0-0
 2. Torpoint B V Callington A 0-0
 3. Torpoint B V Saltash 0-3
 4. Torpoint A V Saltash 1-0 (*Nikita* corner!!)
 5. Torpoint B V Saltash 0-1
 6. Torpoint A V Saltash 1-0 (*Nikita*)
 7. Torpoint A V Callington 0-1
 8. Torpoint B V Saltash 0-1
 9. Torpoint B V Liskeard 0-0
 10. Torpoint A V Saltash 0-0
 11. Torpoint B V Callington 0-2
 12. Torpoint A V Liskeard 0-0
- (Miss Rowe)

Netball Results

Year 11 County netball tournament @ Penryn

A trip to Penryn meant a very early start for the Year 11 to play their final County tournament together. They faced an excellent Penair team in their first match to lose 12-2. However, with the fighting spirit I have seen so often with these girls they bounced back and played excellently to beat Roseland 12-2, St Ives 12-3 and Cambourne 10-2. With legs starting to tire the girls went 6-1 down against Richard Lander by half time but with excellent leadership from Willow and a few tough decisions to swap players positions around the team fought back to lose 9-6. The final two games were very close with the whistle going just as we got the ball to our GS against Bude to lose 9-8 and a very physical Penryn 6-5.

An excellent team effort with fantastic shooting from both Isabelle and Emily throughout the event and several comments made by the County umpires regards the girls positive attitude, team work and sporting behaviour on the court. Thank you to the Year 10s for stepping up.

With only a few friendly matches left this Year 11 team have been incredibly committed and hardworking and an absolute pleasure to work with over the past 5 years.

Thank you again to HEdway and Field Fresh for sponsoring the Year 10 and 11 dresses that the girls fundraised towards and designed last year. They looked incredible and had many comments over the dresses at both County tournaments.

(Miss Milford)

Year 7 East Cornwall tournament @ Bude

Following warm up friendly matches against Liskeard and Looe they faced their first East Cornwall netball tournament together in the Bude dome. With early nerves and over excitement calmed, the girls had 9 matches to play. Their hard work at training paid off. They played exceptionally well together and supported each other throughout. The results below show that they won 8 out of their 9 games to end in a three way tie for first with Wadebridge 1st team and Bude 1st team. The only way to separate the 3 winning teams was goal difference. The results are below with the nominated players for each game . We look forward to our County netball tournament in February.

Torpoint vs Liskeard 2 : Won 5-0 (Amy)
Torpoint vs Wadebridge 2 Won 6-0 (Heidi)
Torpoint vs Liskeard 1 Won 5-0 (Amy)
Torpoint vs Camelford 1 Won 2-0 (Nell)
Torpoint vs Bude 2 Won 4-1 (Eva)
Torpoint vs Camelford 2 Won 2-1 (Eva)
Torpoint vs Looe 1 Won 3-1 (Adrianna)
Torpoint vs Wadebridge 1 Lost 3-2 (Amy)

A massive thankyou to my netball leaders Daisy, Evie, Teagan and Willow who assist in coaching and umpiring weekly at netball training and fixtures.

(Miss Milford)

South Schools Tournament @ Saltash

The PE department travelled en masse to Saltash to compete in the 'South Schools' tournament with many of our talented students across Years 7, 8, 9 and 10. This involved year 7/8 Football matches and Year 9 and 10 Netball matches. The schools involved were: Torpoint, Saltash, Wadebridge, Callington, and Liskeard.

The first match for the Year 9 Netball team was against Saltash. The girls were quick in their attacking play which led them to win 11-0! The next game was against Wadebridge, who we knew after Saturday's County tournament, were a strong team. The girls worked tirelessly in both attack and defence, but unfortunately missed out on the win, 6-2, to Wadebridge. This loss did not dampen the spirits of the team and the girls worked hard to beat Liskeard, 6-0. The final match was against Callington, where the play was broken up slightly, but it was lovely to see how well players from both teams were getting on and helping each other to improve. Torpoint worked well together to win the game 7-0! *Nominated player was Beau for three of the matches!*

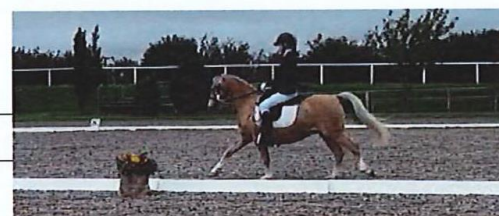

(Team: Lilah, Poppy, Beau, Isla, Fern, Bella, Romilly and Mia).

(Miss Pearson)

The Year 10's started the South Schools tournament against Wadebridge. A few strong defensive turnovers meant the team took their opportunities when they arose, to win 3-1. The next game against Saltash was challenging for very different reasons, but the girls kept their composure and high standards on the court. They worked excellently as a team keeping spirits high to win 12-2. In their final game against Liskeard the team kept their flow of play to win 7-0 with good shooting from Molly and Lola throughout. *Nominated players were Olivia Southworth, Chloe Mathews and Teagan Haddon.* It was great to have Lola and Teagan back post injury and for all the talented, committed Year 10 squad to have now competed at either County or South Schools again this year.

(Team : Lola, Teagan, Ruby, Thea, Chloe M, Olivia, Molly, Florence)

(Miss Milford)

Horse Riding Achievement

Ellie in Year 8, competed in the U21 Horse Riding event. She has achieved great success coming 2nd place and qualifying for the National championship. This is a huge achievement, especially for Ellie's age, considering the age category. A big congratulations to Ellie - well done!

(Miss Pearson)

Year 10 Boys selected for East Cornwall representative team!

Three Year 10 boys have been rewarded for their hard work and dedication to school football by being selected by East Cornwall to represent the east of the county in matches against west Cornwall and other county teams. Josh Bloxham, Jack White (pictured) and Henry Ireland all attended two trials amongst over 40 students and have already played in a couple of games! We look forward to hearing how they progress throughout the rest of the academic year

(Mr Evans)

Cornwall Active Funding and Sport England

The new PE equipment that was purchased from Cornwall Active funding achieved in May has been really well used and received this term. As well as benefitting our gymnastics, trampolining and PE lessons, weekly extra-curricular Spin fit sessions and trampolining clubs have been really popular with more planned after Christmas.

The Sport England Active Lives survey that the PE department conducted with Year's 7, 10 and 11 also proved to be successful and enabled the department to gain a new cricket set for our training for cricket club.

(Miss Milford)

KS4 Volleyball and Badminton clubs

These clubs remain hugely popular this term following our drive to increase participation over the past 5 years with inter house competitions, East County matches and the County round of the National Badminton Cup to look forward to after the Christmas holidays.

(Miss Milford)

Year 12's Multi Skills Primary Event:

Year 12 CAMTECH students took part in organising and running a Primary Multi Skills event for Torpoint Nursery and Infant School. They taught students from aged 5-8, taking part in various activities. The session was successful, and they received some lovely positive feedback from the Headteacher at Torpoint Nursery and Infant School. A big well done to Sophie, Josh and Maddie.

(Miss Pearson)

Spinning Sessions at TCC

Students across Year's 9, 10 and 11 have benefitted from spinning sessions in lessons, during lunchtimes clubs and after College sessions. Some of these students also took part in a 90 minute spin session during the College's Year 5/6 Open Evening in September. As a reward for their commitment to attending these sessions on a regular basis, 20 students have attended the Plymouth YMCA "Immersive Spin" sessions. It has been an amazing experience for the students (and staff!) and there are two more sessions planned in the new year.

(Mr Evans)

Indoor Cricket

Nine Year 10 students represented the College for the first time in a Cornwall Schools Indoor Cricket Cup against Liskeard Community College, Wadebridge, Sir James Smith's Camelford, Bude and Launceston College. Despite performing well with both bat and ball, the boys fell just short from qualifying to the finals day in February. However, it wasn't all bad; due to the manner in which they performed and the attitude they demonstrated to good sportsmanship, the representative from Cornwall Cricket has offered some equipment, coaching and resources ahead of the outdoor cricket season in April. The hope is that this will enable boys and girls in Year's 7, 8 and 9 to participate in "Dynamo Cricket", both in lessons and as an extra curricular club and Year 10 students being able to play red-ball cricket against other local schools in the summer term.

(Mr Evans)

Girls Rugby

Olivia Burton is a talented Year 10 CNAT Sports student who trains regularly and represents the College in many sports teams like football, netball and athletics. She trialled for the Devon Rugby squad at the start of this term where she was successful and gained selection. Alongside her school team and rugby club training she now trains and competes regularly for the Devon Under 16 Rugby team. It is an amazing achievement! Well done Olivia !

Public donations

As a PE department, we have been fortunate to have been in receipt of some donations made by members of the Torpoint community with the sole purpose that the monies are spent on PE equipment to benefit our students. With these very generous donations, the department has been able to purchase equipment that will be used in lessons as well as lunchtime and after school extra curricular clubs. In the summer term, all students at Torpoint Community College will be able to access outdoor volleyball and golf. We thank those members of the community for making this possible.

(Mr Evans)

Inter - House Sport

Last week saw the first inter-house sport competitions for students in Year's 7, 8, 9 and 10 with points being awarded and contributing to the end of academic year Sports Day totals in July 2024. Years 7-9 participated in a school cross country run and Year 10 CNAT Sport students competed in an indoor rowing competition to see who could row the furthest distance over a set time period.

The overall results were as follows:

23/24

Trevol Road
