

MBL/02/24

9th February 2024

Dear Parent/Carer

I am writing to inform you about an update to the SIMS Parent App provision which will further improve the way we share information with you regarding your child's behaviour.

If students demonstrate unexpected behaviours, staff at TCC record behaviour points on our management information system (SIMS). Currently, we share a points total with you three times per year. With effect from 20th February, the SIMS Parent App will provide you with a daily update on any behaviour points your child has received during that day. This will allow you to have an immediate discussion with them about their behaviour and how to ensure it isn't repeated.

We hope that sharing behaviour points with you every day will mean that you are well informed and better able to monitor and support your child's education.

Can I please remind you the Satchel One App provides details on how many Kudos points your child has achieved, as well as information regarding your child's homework.

Please do not hesitate to contact the College should you have any queries regarding the above.

Thank you for your continued support.

Yours sincerely,

Mrs Blandin-Neaves
Senior Assistant Headteacher
