Thank you for considering Torpoint Sixth Form for the next stage of your education. We would love to see you enrich your experience of post-16 by choosing TCC Sixth Form: we know we have the size, commitment, and passion to help you on your journey to becoming a successful adult after TCC Sixth Form, ready to participate fully and actively in society. Our strength lies in our knowledge of you.

In year 12, all students are invited to choose up to 4 subjects, which is then reduced to 3 by the end of year 12. We only offer subjects which make you able to move to your next steps, be it university, employment, or training. Over the course of the next few weeks, we will hold individual consultation meetings with every Year 11 student to discuss your options.

Below are the proposed option blocks. Please record your preferred choices as this will help ensure we can meet your need and plans for study post-16. In some rare cases a course might not be able to run. If this occurs, Miss Bell will contact you as soon as possible so alternative arrangements can be made. We will also meet all of year 11 again in the spring term to hold further discussions regarding your post-16 plans.
